166/2018	<b>4. Public Participation</b> <i>Cllrs asked for this item to be moved ahead of Planning Applications (as posted in the Agenda) to enable members of the public to comment.</i>  The Chair raised a concern on behalf of the public to say that he was aware that the immediate neighbours to the Lakefield property had not been formally notified and expressed concern that this could delay the application. The Clerk was asked to contact the LDNPA to advise them that the immediate neighbours have not been formally notified, and to enquire what their procedure is regarding this.	Clerk
167/2018	<b>5. Planning Applications</b>  <u>7/2018/5369 Fair Rigg, Far Sawrey, LA22 0LW Proposed alterations to decking area including new balustrade and stairs from decking to lower garden</u> <b>RESOLVED:</b> The council has no objection to this application.  <u>7/2018/5363 1 Lakefield Cottages, Near Sawrey, LA22 0LB Demolition of rear extension to allow siting of new dwelling to include off street parking</u> <b>RESOLVED:</b> In response to concerns from Councillors about sufficient parking and removal of the old wall (included in the "iconic view"), the architect has provided a different parking layout for councillors to review, "herringbone", to accommodate more parking spaces for all 4 cottages on the site, 7 rather than the 5 originally proposed.  The council supports the development due to the local need for affordable housing, with the proviso that the herringbone parking arrangement is preferred because it adds 2 extra spaces.  The Clerk was asked to inform the LDNPA of the council's view on these applications before the respective deadlines as advised by LDNPA.	Clerk
